Logistics

- No food or drink (other that water) in the classrooms.

- Please clean up your mess or any mess that you see

- The patio can be used throughout the event

- Please be mindful of others in the building.

- Let us know if you see anything that might need our attention

- The Slack channel **#hackathon-2023-04** will be used for announcements and you are encouraged to post questions / comments.

WiFi Setup

- Connect to SSID: UCInet Mobile

- Go to https://oit.uci.edu/reg

- Register your device as a guest

- If you have problems:
  OIT support line at (949) 824-2222 option 3
  Merage IT support line at (949)824-0852

Slack Setup

- Slack Group Sign-up: https://tinyurl.com/socalrug-slack-invite3

- Slack channel: https://socalrug.slack.com

- Join: hackathon-2023-04

Team Formation

- Everyone needs to be on a team with 2 — 5 people

- We encourage teams to have 5 people

- For teams already formed with less than 5 people, consider inviting additional people to join you

- Let the organizers know if you need help finding a team
